

Korsan Home BBQ Service

For those evenings or lunchtimes when you want to stay in and enjoy the comfort of your villa, Korsan offers a BBQ service.

To save you the shopping and preparation, we will deliver prepared and marinated meats to your door as well as a selection of Turkish meze dishes and salad, washed, chopped and prepared.

If you don't want to do the cooking yourself a member of the Korsan team can prepare and light the BBQ and do the cooking for you. This service is offered without a fixed charge but a 'tip' for the chef would be appreciated.
