

# Turkish Barbecue

A Turkish Barbecue is a perfect choice for those looking to have an entertaining night in or host friends at their villa.

This option is a favourite amongst our guests and offers an extensive selection of options including;

A variety of marinated beef, lamb and chicken dishes, as well as fish and seafood.

Freshly prepared salads and Meze which vary according to seasonal produce.

Warm pide bread baked in our own stone oven.

Please ask one of our villa representatives for a list of dishes to choose from as well as prices, should you decide to order.

If you would like someone to do the cooking for you, a member of the Korsan team will light the barbecue, cook and serve the dishes you select. This service is offered without a fixed charge but a tip for the chef is always appreciated. A tip of approx. 800 tl is appropriate for cooking and serving, and if you wish for the chef to stay and clear up, a tip of around 1000 tl would be appreciated.
